## EXPERIENCE

### **American Building System, Las Vegas — HVAC Construction**

Have 3 years of working in HVAC, know how to do venting, Flex, Solder, and how to start up every air conditioning system and know how to do wiring. I have been taught and learned everything there is to know in HVAC when it comes to working on apartments and commercial. Also know how to fix patches since they had me repair people systems if there ever was a problem after we finished.

### **SouthCreek Pizza Co, Reno—Dishwasher**

I have experience washing dishes and being on my feet for more than 8 hours. I am efficient under pressure no matter how many dishes I get. I keep my area clean and know my way around the kitchen. I am punctual and always willing to stay for extra time if needed.

### **Amazon, Las Vegas — XXL Warehouse**

I know how to unload a trailer filled with pallets carrying many items. Can organize and stock everything and use a dolly and a dolly cart. Can carry more than 90 lbs of weight. Work good under pressure and help out whenever someone needs help carrying.

### **SportsDome, Reno—Sports complex/bar**

I have worked part time at a sports complex/bar. I have social skills that has made many people want to come back. I also have experience with dealing with people and to not escalate a problem.

## EDUCATION

### **Canyon Springs High School, North Las Vegas —High school Degree**

Canyon springs is the highschool where I spent for years to get my High School degree.
